\$550 + tax

I enjoy photographing grads all done up in their gowns/suits but also in their everyday attire keeping it a little more casual, too! Your grad is welcome to include some props such as sports equipment, etc. A graduation Cap and Gown is available to any grad that would like to utilize it for a few images. A pop up changing tent is available for grads with outfits changes. Please don't hesitate to consult with your photographer. You may choose your location or ask your photographer for suggested locations.
